

Ohio Administrative Code

Rule 4901:2-19-05 Rejection and suspension of tariffs.

Effective: July 1, 2023

(A) Any tariff which does not meet the requirements of this chapter is subject to rejection by the commission. When a tariff or schedule is rejected, the commission, or its authorized employees, will notify the carrier or the agent who tendered it for filing of the reasons for the rejection, and return the rejected tariff to the carrier or agent.

(B) Pursuant to its investigative power, the commission, or its authorized employees, may suspend a tariff during an inquiry. If a tariff is suspended, the carrier's previously filed tariff is presumed to be in effect.

(C) Any carrier whose tariff has been rejected or suspended under this rule may file an application for review by the commission with the docketing division within thirty days after receiving notice of such action.
